To All Batch '85:

This could be a once in a lifetime exciting event so we strongly encourage all our dear batch mates with their respective families or loved ones to come join their fellow alumni in celebrating this most memorable grand reunion. We are all very excited to see everyone and we look forward to having fun with you in reminiscing the good old high school days, and toasting with you the milestones we all have been through these past 25 years. See you all there!

Reunion Committee
