

M E S S A G E

My warmest greetings to the alumni of the Divine Word Academy of Urdaneta now based in the United States of America on the momentous occasion of your Grand Alumni Homecoming this July 2007.

This once in a lifetime celebration is a fitting venue for everyone who had become a part of your beloved DWAU to revisit the past, renew bonds with old classmates, and revel in an atmosphere of nostalgia and remembrances. More importantly, it affords the various alumni batches now based in the US the opportunity to return to their Alma Mater the same care, concern and commitment it nourished upon them during their student days through undertakings geared toward DWAU's infrastructure development and educational advancement.

May your Homecoming be the spark that will unite all the alumni of the DWAU in the US and share in the noble task of contributing to its continued growth and development as a bastion of education in Urdaneta City.

Mabuhay!
